

## Curriculum Vitae

### Rovshan KARIMOV

Institute of Geography of  
Azerbaijan National Academy of Sciences

Address: 115 H.Javid Ave., Az 1143, Baku,  
Republic of Azerbaijan

Phone: +994504886420 (cell),  
+994505382900 (office)

E-mail: rovshan\_karimov@yahoo.com

#### PERSONAL DATA

Date of birth \_ 25.01.1977

Place of birth \_ Baku city

Nationality \_ Republic of Azerbaijan

Family status \_ Married, one child

#### EDUCATION

2001-2003: Postgraduate School, Institute of Geography of Azerbaijan National Academy of Sciences.

1997-1999: Magistracy of Azerbaijan State Pedagogical University after N.Tusi. Diploma MNA No. 002055 given by Ministry of Education of Republic of Azerbaijan. Decision dated to 29.06.1999.

1993-1997: Faculty of Geography of Azerbaijan State Pedagogical University after N.Tusi. Diploma A of Bachelor No. 011658 given by Ministry of Education of Republic of Azerbaijan. Decision dated to 07.07.1997.

#### PROFESSIONAL EXPERIENCE

2016-2017 (up to present): Lecturer at the "Geography and Environment" Department of Khazar University.

2004-2017 (up to present): Leading Researcher at "Demography and Geography of Population" Department of Institute of Geography, Azerbaijan National Academy of Sciences.

2011-2017 (up to present): Part-time Senior Lecturer (teaching also in English and Russian) at Faculty of Geography of Baku State University. Subjects: "Basics of tourism" (in English), "Economic and social geography", "World economy", "International geographical distribution of labor and economic integration" (also in Russian), etc.

2009-2016: Senior Lecturer (including in English and Russian) at Department of BBA and Faculty of Economy and Management of Azerbaijan University. Subjects: "Human geography" (in English), "Environmental economics" (also in Russian), "Management of regional economy", etc. Example:

2008: Translator (by English) in 'Regional Development Center in Azerbaijan' NGO. Baku.

2005-2006: Teacher of geography, Physics-Mathematics and Information Lyceum under Azerbaijan University of Architecture and Construction.

2005-2006: Teacher of geography, Baku Anadolu Lyceum.

2000-2003: Teacher of geography at Secondary School No. 95, Baku, Azerbaijan.

#### CERTIFICATES AND AWARDS

\* Co-Winner of "Grant Competition on development in education and innovations" of the Ministry of Education of Azerbaijan. The title of the awarded Project: "Application of Geographical Information Systems in teaching geography in general education schools". October, 2017.

\* Certificate of Attendance from Kastamonu University (Turkey) within the framework of Erasmus+ Programme. 7-13<sup>th</sup> May, 2017.

- \* Certificate for active participation at ERRA Regional Workshop. Programme “Prevention, Preparedness and Response to Natural and Man-made Disasters in the EaP Countries – PPRD East 2” funded by the EU. Kyiv, Ukraine. June 14-15, 2016. EuropeAid/135314/C/SER/MULTI Contact No. 2014/352-249.
- \* Certificate for input with topic “Effective water management, capacity building and increase of awareness for mitigation of impact of floods in Azerbaijan” at the 3<sup>rd</sup> International Scientific-Practical Conference “Natural-scientific researches and economy”. August 31, 2015. Voronezh, Russia.
- \* Certificate for presentation scientific work “Production of Solar and Wind Energy in Azerbaijan: tendencies, recent changes and relevant environmental effects” at the 10<sup>th</sup> Conference on Sustainable Development of Energy, Water and Environmental Systems – SDEWES”, held from September 27 – October 2, 2015. Dubrovnik, Croatia.
- \* Certificate of Centre for Development of Scientific Cooperation for the report “Geographical problems of sustainable demographic development in the Republic of Azerbaijan” at 24<sup>th</sup> International Scientific-Practical Conference “Modern trends in economics and management: new views”. February 17, 2014. Novosibirsk, Russia.
- \* Certificate for presenting work “Development of non-oil sector in the regions of Azerbaijan: tendencies and prospects” at 14th Conference of Eurasia Business and Economics Society. October 23-25, 2014. Barcelona.
- \* Winner award of the “Mobility 5” Grant Competition funded by Science Development Foundation under the President of Azerbaijan. October 9, 2014. Contract: EİF-Mob-5-2014-2(17)-14/05/2-M-06.
- \* Certificate of the International Scientific and Practical Conference ‘Nauka dzis: theory, methodology, practice’. September 28-30, 2013. Wroclaw, Poland.
- \* Certificate of International Academy of Science and Higher Education for the participation at the International Scientific Analytical Project “Technologies of globalization of the XXI century: evolution or setback?”, held in London (UK) with study work ‘Evaluation of demographic sustainability in Azerbaijan’. March 28 - April 2, 2013.
- \* Certificate for successful on-line participation in the Summer Course “Green Industry: Moving Towards the Industry of the Future”, organized by UNIDO Institute for Capacity Development in cooperation with Central European University. March 26 – April 23, 2012.
- \* Certificate of Azerbaijan Tourism Institute for delivering presentation in the Third Republican Scientific and Practical Conference "Tourism and recreation: problems and perspectives". December 19, 2009. Baku.
- \* June, 2010: Certificate of Achievement for Successful Completion of Teaching Workshop organized by J.Mack Robinson College of Business of Georgia State University (USA) and Azerbaijan University. Baku.
- \* 28.11.2006: Diploma of Candidate of Geographical Sciences (PhD in Geography) given by the Higher Attestation Commission under the President of Azerbaijan Republic. Diploma EN No. 04264.

## **PROJECTS AND PROGRAMMES**

2015-2017 (up to present): National Contact Point from Azerbaijan on ‘Climate action, Resource efficiency and Raw materials’ from Azerbaijan at EU’s Horizon-2020 Programme.

01.06.2015-31.05.2017 (up to present): Focal Point from Azerbaijan in the SCOPES-IP Project “Sustainable Caucasus” implemented with the participation of Geneva University and Institute of Geography of Azerbaijan National Academy of Sciences, funded by Swiss National Science Foundation.

2016: Expert; Author of the published books and Key Editor in the Project “Strengthening environmental governance by building the capacity of non-governmental organizations”. UNDP.

2013: Key Expert in the Project ‘Eco-migration processes in Azerbaijan due to floods in the rivers of Kura and Aras in 2010’ funded by European Union; with the participation of ‘Ruzgar’ NGO (Azerbaijan) and Caucasus Environmental Network NGO (Georgia).

2012: Editor and Presenter in the Project “Enhancing local capacity and regional cooperation for climate change adaptation and biodiversity conservation in South Caucasus” funded by EU; with the participation of ‘Ruzgar’ NGO (Azerbaijan), Caucasus Environmental NGO Network and Mercy Corps NGO (Georgia).

## **MEMBERSHIP**

2012-2017 (up to present): Expert at “Ruzgar” Ecological Society, NGO, accredited by UNEP and registered by the Ministry of Justice of Republic of Azerbaijan.

2004-2017 (up to present): Expert at Azerbaijan Geographical Society, registered by the Ministry of Justice of Republic of Azerbaijan.

2016-2017 (up to present): Member of Editorial Board of the Journal “Transactions of Young Scholars” of Azerbaijan National Academy of Sciences.

## **LANGUAGES**

Azerbaijani (native),

Russian (fluent)

English (fluent)

Turkish (proficient in speaking)

Arabic (writing/reading)

## **COMPUTER SKILLS**

Windows XP: MS Word, Excel, Power Point, Paint, LEAP

## **MOST IMPORTANT PRESENTATIONS**

\* July 11, 2017: Assessment of mitigation potential through improving public transport in Greater Baku area, Azerbaijan. 11th Cooperative Green Growth Modeling Forum. Greenhouse Gas Inventory & Research Center of Korea. 11-12<sup>nd</sup> July. Seoul.

\* May 5, 2017. Horizon2020: Opportunities for Azerbaijani researchers. Seminar organized within the framework of Horizon2020 Research and Innovation Programme. 5<sup>th</sup> May, 2017. Baku.

\* April 18, 2017: Transport sector of Azerbaijan: current situation and future outlook. 11th Cooperative Green Growth Modeling Forum. Greenhouse Gas Inventory & Research Center of Korea. 18-19<sup>th</sup> April. Kajang (Malaysia).

\* November 28, 2016: Changes in distribution of population and settlements of Azerbaijan by altitude belts. First Caucasus Mountain Forum. 28<sup>th</sup> November – 1<sup>st</sup> December, 2016. Tbilisi.

\* November 28, 2016: Challenges and perspectives of researches and socioeconomic activities in mountains areas of Azerbaijan. First Caucasus Mountain Forum. 28<sup>th</sup> November – 1<sup>st</sup> December, 2016. Tbilisi.

\* October 11, 2016: Transport sector of Azerbaijan: recent development and greenhouse gas emission. 10th Cooperative Green Growth Modeling Forum. Greenhouse Gas Inventory & Research Center of Korea. 11-12<sup>th</sup> October. Seoul.

\* October, 6, 2016: Problems in the reduction of wastes forming greenhouse effect in Azerbaijan. New Turkey Strategic Research Center. International Conference on Science and Technology. 3-6<sup>th</sup> October. Ankara.

\* June 1, 2016: Environmental and socioeconomic impacts of climate change in Azerbaijan. “2<sup>nd</sup> Info Day on Horizon 2020: Climate Change, Energy, Health” held with support of IncoNet EaP project. Qafqaz University; Azerbaijan National Academy of Sciences. 1-2 June, 2016. Baku.

\* September 29, 2015. Production of Solar and Wind Energy in Azerbaijan: tendencies, recent changes and relevant environmental effects” at the 10<sup>th</sup> Conference on Sustainable Development of Energy, Water and Environmental Systems – SDEWES”, held from September 27 – October 2, 2015. Dubrovnik.

\* September 18, 2015. Study of rural settlement and formation of rural areas in Sheki-Zagatala economic-geographic region. International Scientific-Practical Conference “Problems of adaptation of geo- and natural-economic systems to modern global changes”. Azerbaijan National Academy of Sciences. Baku.

\* July 1, 2015. Environmental aspects and current condition of production of alternative energy in Azerbaijan. 1<sup>st</sup> Info Day on Horizon 2020: Climate Change, Energy, Health” held with support of IncoNet EaP project. Azerbaijan National Academy of Sciences. 1-2 July, 2015. Azerbaijan National Academy of Sciences. Baku. [http://www.inco-eap.net/ media/Rovshan-Karimov energy.pdf](http://www.inco-eap.net/media/Rovshan-Karimov_energy.pdf)

\* November 28, 2014: Study of natural increase of population of Azerbaijan and its regions based on statistical data. Conference of “Statistics and society” organized by State Statistical Committee and Ministry of Education of Republic of Azerbaijan. Baku.

\* November, 14, 2014: ‘Study of sustainable development of a territory with considering local natural resources’ as a proposal in ‘East-Horizon H2020/ICT Training Event’, held in Azerbaijan National Academy of Sciences (funded by EU). Baku.

- \* October, 23, 2014: ‘Development of non-oil sector in the regions of Azerbaijan: tendencies and prospects’ at 14th Conference of Eurasia Business and Economics Society. Barcelona.
- \* April, 10, 2014: ‘Eco-migration processes in Azerbaijan due to floods in the rivers of Kura and Araz in 2010’. Ministry of the Ecology and Natural Resources of Azerbaijan Republic. Baku.
- \* October, 10, 2013: ‘Azerbaijan: transition to clean energy in the condition of climate change’ at the 6th Annual International Scientific Conference on Energy and Climate Change. Athens.

## **WORKSHOPS AND SEMINARS**

- \* February 18-19, 2016: Workshop “Towards a Regional Research Agenda” of the Project “Sustainable Caucasus”, supported by Swiss National Science Foundation. Tbilisi.
- \* June 1-2, 2016: Workshop “2<sup>nd</sup> Information Day: Climate Change, Energy, Health” of EU’s Framework Programme for Research & Innovation “Horizon 2020”. Baku.
- \* June 6-7, 2016: Spatial Data Infrastructure Workshop of the Project “Sustainable Caucasus”, supported by Swiss National Science Foundation. Tbilisi.
- \* June 14-15, 2016: ERRA Regional Workshop within the framework of EU-funded Programme for the Prevention, Preparedness and Response to Natural and Man-Made Disasters in the EaP Countries (PPRD East 2 Programme). Kiev.
- \* March 17-19, 2015: ASEAN-EU STI Days 2015, including Scientific Forum “Climate Change and Water Management from an International Perspective: Scientific Landscape of Eastern Partnership (EaP) and Central Asian (CA) Countries”. Paris.
- \* July 1, 2015: InfoDay: Climate Action, Energy, Health and Environment. EU’s Framework Programme for Research & Innovation “Horizon 2020”. Baku.
- \* July 2-3, 2015: Kick-off Workshop “Supporting Sustainable Mountain Development in the Caucasus”, supported by Swiss National Science Foundation and United Nations Environment Programme. Tbilisi.
- \* October 12-13, 2015: EU-Eastern Partnership STI Cooperation in Addressing Energy Research and Innovation Policy. Stakeholders’ Conference and Workshop. Minsk.
- \* November 27-28, 2015: SMD Curriculum Workshop of the Project “Supporting Sustainable Mountain Development in the Caucasus (Sustainable Caucasus)”, with support of Swiss National Science Foundation and Department of Geography and Environment of University of Geneva. Tbilisi.
- \* November 6-7, 2014: Thematic Workshop on Climate Change for the identification of relevant sub-themes and topics for the EU-EaP STI Cooperation. Athens.
- \* November 27, 2013. Regional Transborder Seminar of the EU-funded Project "Enhancing local capacity and regional cooperation for climate change adaptation and biodiversity conservation in Georgia and South Caucasus". Bilachauri (Georgia).
