## About Me

I am Passionate about media production and event management. Currently studying Design at Khazar University and gaining hands-on experience in videography, photography, and media coordination through university and volunteering. Seeking to grow in professional media operations and contribute to high-impact events.

## WORK EXPERIENCE

### Khazar Multimedia Center (08.12.2025 - Now)

#### Videographer\Photographer

- General administration of event management;
- Maintaining and Setting up of photography and videography equipment;
- Preparation of photos/videos for social media accounts of the university.
- Coordinated a team of student volunteers in managing media tasks, also trained them in technical aspects of photo and video shooting.

### Salam Film festival (August 2024)

#### Team leader

- Worked with school children during the festival and supported them as a group leader.
- Helped them create short films (writing, shooting, editing) and learn during the event
- Watched festival films with students and led group discussions afterwards.

### Formula 1 grand prix Baku 2024 (September 13-15)

- Assisted concert attendees by directing them to their designated seating areas.
- Provided clear guidance and support to ensure efficient crowd movement and seating.
- Coordinated with event staff to manage the flow of guests in the concert zone.
- Ensured a positive and smooth experience for all attendees during the event.

### "ARAZ SUPERMARKETS " LLC (January 2024 - July 2024) Internship (photography, videography)

- Photographing and editing of newly opened ARAZ Market chains
- Photographing ID cards for new employees and taking videos of events
- Create high-quality images in challenging outdoor conditions
- Editing captured videos for the social networks
- Working with light and sound for video and photography
