| <b>Assessment and Policy</b> | <p><b>Assessment:</b><br/> <b>Active Reading Strategies:</b><br/>           Students are required to read intensively and extensively both updated authentic informational texts (on science, history, environment etc.) and narratives (fiction,drama) that focus on building attitude, language and phonetic awareness, comprehension strategies, vocabulary development, writing skills, accuracy, creativity and imagination. If successfully, students will be able to get maximal <b>10 points</b>.</p> <p><b>Writing portfolio:</b><br/>           Students are required to build portfolios that involve written tasks covered during the course. <b>Portfolio</b> evaluates students' ability to apply vocabulary gained in written form, to assess grammatical accuracy, demonstrate critical thinking and use imagination. Students are supposed to write different kinds of paragraphs throughout the semester. The teacher will evaluate all those pieces of writing and continuously students will get feedback from the teacher. If successfully, students will be able to get maximal <b>10 points</b>.</p> <p><b>Speaking exam</b> gives instructors an opportunity to diagnose any major mistakes made by students in oral language.<br/>           The exam is held at the end of the course. Face-to face interaction in oral language enables students to review the material covered during the course; build confidence to think and respond quickly; apply required vocabulary; encourage further oral proficiency; take part in the constructive exchange of ideas; communicate with two or more people on different topics and the ones related to their specific field of study. If successfully, students will be able to get maximal <b>5 points</b>.</p> |                           |                       |

|   |  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                    |
