WORK EXPERIENCE

Khazar University, Lecturer in Fundamentals of financial management (Sep 2018-present)

Analyst at Financial Market Supervisory Authority, Baku (May, 2017 – Present)

- ❖ Analyzing banking and insurance sector, making presentation of the analyses and reporting on monthly, quarterly and yearly basis.
- ❖ Regressions analyses in order to measure the effect of shocks on financial markets
- ❖ Making simulations and Value at Risk (VaR) analyses for banking and insurance sector

Banking Analyst at Lloyds Banking Group, United Kingdom, Bristol (February, 2015 – January, 2016)

- ❖ Working as part of a highly specialized Redress team to provide accurate PPI redress calculations for commercial loans
- ❖ Use a range of computer systems that require strong accuracy and financial background in order to provide historic settlements for insurance based products
- ❖ Focus on process efficiency and accuracy whilst delivering against defined productivity targets
- ❖ Contribute to the completion of the workload in line with agreed Service Level Agreements
- ❖ Negotiate with other business areas within Commercial PPI to ensure customer satisfaction

Center for Strategic Studies under the President of the Republic of Azerbaijan, Baku (April-May, 2014 – Internship) ❖ Doing a research of the economic situation of Azerbaijan in the European Market.

- ❖ Analyzing perspective energy projects of State Oil Company of Azerbaijan Republic (SOCAR).
- ❖ By taking part at the internship program, I developed my researching and teamwork skills, broadened my horizon and knowledge in oil sector.

Ministry of Foreign Affairs of the Republic of Azerbaijan, Baku (July-August 2013 – Internship)

- ❖ Working at the department of Economic Cooperation and Development, I was responsible for translating official letters from English into Azerbaijani which were sent by ambassadors.
- ❖ Investigated benefits and drawbacks of Azerbaijan to become the member of WTO & Eurasian Union. I have successfully completed my investigation as a report and it was confirmed by the deputy minister heading to the department. The research was also sent to the embassy of the Republic of Azerbaijan to the United States of America.
- ❖ This experience also gave me a golden opportunity to see how negotiations are going between government representatives, official letters are written and how analysis in a report style has to be done.

State Oil Company of Azerbaijan Republic (SOCAR), Baku (May-July 2013 Internship)

- ❖ I worked at the Department of Economic Indicators and Financial Modeling, where my responsibility was calculating and forecasting financial ratios of SOCAR.
- ❖ Completed a research task “forecasting and analyzing oil prices”, which was accepted and confirmed by the Head of the Department.
- ❖ My experience from the position played a key role in my future life as well. I could apply my experience related to finance for my own start-up project that \$9000 was granted by PashaBank.

ADDITIONAL SKILLS

IT

- Proficient with Microsoft Office (Word, Excel, and Power Point) and STATA

Languages

- Azerbaijani - Native
- English - Fluent
- Turkish - Fluent
