EXPERIENCE

- **iOS Developer, Full-time**   **7/2024 - Present**
  Bank Respublika

Duties
- *Worked on the development of the Mobil Şöbə app, focusing on enhancing various features and functionalities*
- *Played a key role in integrating commission-related information into payment forms, ensuring users receive accurate.*
- *Actively optimized the app by identifying performance bottlenecks and implementing solutions.*

- **Mentor (iOS Development)**   **08/2024 - Present**
  ATL Academy, Baku, Azerbaijan

Duties
- *Mentored students on Swift and iOS development concepts.*
- *Assisted in course design, focusing on Swift fundamentals, app architecture, and best coding practices.*
- *Provided one-on-one guidance and code reviews.*

- **iOS Developer, Apprenticeship**   **09/2023 - 02/2024**
  ATL Academy, Baku, Azerbaijan

Duties
- *Developed designs from Figma prototypes.*   Projects
- *Used native librariesfor storage & networking.*   Github.com/IlahaS/Haus
- *Integrated the 3rd party pods libs via SPM.*   Github.com/IlahaS/MovieApp
- *Followed software design patterns.*   Github.com/IlahaS/FruitOrderApp
                                                                                                 Github.com/IlahaS/DriveIt

- **IT Business Analyst (Process Expert), Full-time**   **12/2023 - Present**
  Kapital Bank

Duties
- *Conducted comprehensive analysis for **Ninja** Payments (installment payments) integration.*
- *Led detailed requirement gathering sessions and collaborated with stakeholders to refine specifications, aligning with campaign objectives.*
- *Developed documentation including user stories and process flows for Ninja Payments and related campaign analyses.*
- *Supported the development team throughout the implementation process, overseeing user acceptance testing and providing training to stakeholders*

- **Senior Technical Support Specialist, Full-time**   **09/2021 - 12/2023**
  Kapital Bank

Duties
- *Provided technical support via Jira for Elma BPM, Docflow, Optimus, and Camunda systems.*
- *Implemented recovery procedures using Zeus and CMS databases.*
- *Ensured database designs met business needs for efficient data management*
- *Analyzed C# processes for optimization and enhancement*

TECHNICAL SKILLS

- **Software Development Lifecycle(SDLC):** Familiarity with various phases of the SDLC including requirements gathering, design, development, testing, deployment, and maintenance.
- **CoreSystems:** Experience with Zeus, CMS, DWH, other integrated systems.
- **System Analysis:** Ability to analyze existing systems, identify technical constraints and dependencies, and propose solutions to meet business objectives.
- **Desktop applications:** FXML, JavaFX
- **Programming Languages:**
  - iOS: Swift, UIkit, URLSession, File Manager, Core Data, Alamofire, Realm, Lottie, MVC, MVVM.
  - Java: Experienced in developing applications and systems.
  - C#: Proficient in developing desktop and web applications using .NET framework.
  - SQL: Advanced skills in querying and managing relational databases.

EDUCATION

- **Bachelor of Computer Engineering (English)**   **09/2017 - 07/2021**
  Azerbaijan State Oil and Industrial University   **Graduated**
  GPA: 92/100 (Graduated with Distinction)

- **Master of Computer Engineering (English)**   **09/2021 - 07/2023**
  Khazar University   **Graduated**
  GPA: 89/100

CERTIFICATES

- **ATL Academy- iOS Development**   **09/2023**
  Instructor: Shamkhal Guliyev

- **Duolingo - English Test**   **12/2023**
  Score: 125/160

- **Unlimited: Azerbaijan's 1st Inclustivity Hackathon**   **07/2020**
  MR.Alessandro Fraccasseti

- **Orient ITM - Java Development**   **09/2020**
  Instructor: Taleh Alqayev

FOREIGN LANGUAGES

Azerbaijani – Native   **English –** Professional   **Russian** - Limited
