BIOGRAPHICAL NOTES and RESEACRH INTERESTS

Mr. Muradov is a PHD student in Khazar University. His research topic is "Integrating e-government to public administration, Azerbaijan Case Study". Currently, he teaches Foreign Policy of Azerbaijan in Khazar University. Before, he taught Ethnic Conflicts in "Odlar Yurdu" University in 2011. Mr. Muradov holds a Master's degree in Diplomacy and Strategic Negotiation from Paris-Sud 11 University. Prior to this, he completed his Master 1 in Political Science in Bordeaux Montesquieu University 4. In a professional life, he started to work as an adviser in the Ministry of Economy and Industry at the department of interstate economic cooperation in 2012-2013. Then he started to work in research department of Transparency International Azerbaijan. His primary work and research areas: E-government and public e-services, integrity in business and public services. By joining Transparency International Azerbaijan in May 2013, he managed OSCE Baku funded project titled "Increasing Transparency in Provision of Public Services". Under the foregoing project, Mr. Muradov conducted monitoring and evaluation of e-services in Azerbaijan on the basis of methodology developed by Estonian E-Governance Academy. The final assessment report was released on December 22, 2014. Mr. Muradov currently works for Transparency International's Azerbaijan Chapter as a project coordinator of EU funded National Integrity System Assessment Project. He coordinated and conducted research Study on National Integrity System Assessment in Azerbaijan, which was released on June 18, 2014. Mr. Muradov is 28. He is married and has a son.
