

LEMAN IBRAHIMOVA

Fashion Designer

My first capsule collection was presented in 2016. The same year I was happy to demonstrate my next private collection at "Baku Fashion Week". In 2017, I participated with the new collection at the "Azerbaijani Fashion Week". Same collection was demonstrated at the "Oriental Fashion Week" which was held in Paris. I am privileged to work with many well known public figures in Azerbaijan and Turkey. One of the most famous actresses I work with is popular Turkish-German actress Wilma Elles.
