20/08/2020 – 26/01/2021

Educational Researcher at Strategic Development Center
Western Caspian University, Baku (Azerbaijan)

The Center works with other departments of the university in order to include the university in QS and THE Rating Systems. Research about SDG policies and suitable implementation of them at a university level and updating the website with different information in Azerbaijani and English are the main part of the work.

14/02/2018 – 30/05/2018

Intern at Van der Wal
Vander Wal Ltd, Khirdalan (Azerbaijan)

Van der Wal is an international logistics service provider with offices in The Netherlands, England, Poland, Romania, Russia, Kazakhstan, and Azerbaijan. The main aim was to follow tracks of transportation, flexible storage spaces, and logistical optimization.

14/12/2017 - 14/02/2018

Customer services representative at ASAN Service

Azerbaijan Service and Assessment Network, Sumgayit (Azerbaijan)

ASAN Service is a state agency for government services to citizens. The responsibilities were to write application forms for national IDs and international passports for citizens, conduct surveys, and give information about services and participation in Mobile ASAN services.

01/11/2014 - 10/01/2016

Team member at ENACTUS

Azerbaijan State University of Economics, Baku (Azerbaijan)

ENACTUS is the world's largest experiential learning platform by carrying out economic, social environmental projects dedicated to creating a better world while developing the next generation of entrepreneurial leaders and social innovators. There were different projects, in which the main idea is to conduct surveys and cost-benefit analyses.

EDUCATION

03/09/2018–05/07/2020

Master's Degree in Economics

International School of Economics at TSU (ISET), Tbilisi (Georgia)

The master thesis topic was about the push and pull factors of student migration in terms of macro and micro-specific drivers. The thesis was panel data analysis and comprised of two cases: The case of developed countries and the case of developing countries.

15/09/2014–30/06/2018

Bachelor's Degree in World Economy

International School of Economics (ISE) | Azerbaijan State University of Economics (UNEC), Baku (Azerbaijan)

06/08/2020–13/08/2020

CERGE-EI Teaching Fellowship

CERGE-EI, Prague (Czech Republic)

The Teaching Fellowship program helps to teach modern, market-based economics to the next generation in different universities of post-Soviet countries.
