## Personal Statement

I am a dynamic finance professional with strong experience in financial planning, accounting and business advisory and also holding PHD degree in Finance. I have diverse industry experience thanks to experience in Azersun Group.

My target is always to build a finance function in an environment with strong controlling function as well as to be a good business partner for commercial team and management for sustainable business growth.

Specialties: Budget and forecasting, financial modeling, financial reporting, IFRS, financial due diligence, corporate finance, finance system improvement and implementation, SAP implementation, 1C implementation, investment and feasibility analysis, strategic planning, etc.

Assess organizational performance against both the annual budget and company's long term strategy;

- Develop tools and systems to provide critical financial and operational information to the CEO and make actionable recommendations on both strategy and operations;
  - Assist in establishing yearly objectives and meetings agendas, and selecting and engaging outside consultants, such as auditors;
  - Prepare and maintain regular financial planning reports - monthly profit and loss forecast by division vs budget;
  - Complete analysis of consolidated financial results (including subsidiaries and associates) and develop recommendations;
  - Oversee cash flow planning and ensure availability of funds as needed;
  - Oversee cash, investment, and asset management;
  - Coordinate and development and monitoring of budgets;
  - Develop financial business plans and forecasts;
  - Oversee the accounting department to ensure proper maintenance of all accounting systems and functions;
  - Ensure maintenance of appropriate internal controls and financial procedures;
  - Oversee preparation of month-end, quarter-end and year-end financial statements;
  - Review all month-end closing activities including general ledger maintenance, balance sheet reconciliations and corporate/overhead cost allocation;
- Advisory and consultancy on tax, accounting, currency regulations, legal, labor and customs and privatization issues;
