Course Website	<p>This course combines traditional face-to-face classes. For support learning following websites can be used:</p> <p>https://books.google.co.uk</p> <p>https://libgen.is</p>	
Course Outline	<p>This course examines the dynamic environment of retail marketing with a specific focus on retail, brand, warehouse, private label, store layout. During the course, we will discuss and examine retail marketing opportunities, and analyze retail brands, campaigns, retail discount pricing, branding, warehouse and international commercial terms and retail strategies. The course will mainly consist of lectures, discussions, and case analyses. Because of the emphasis on class discussion and interaction, attendance on a regular basis is expected.</p>	
Course Objectives	<p>The basic rationale of this course is to facilitate students' understanding of the nature, structure, and specifics of conducting retail marketing activities in the local and international context. Further, through case studies and group projects, the course will enhance students' abilities to adapt and utilize retail marketing strategies to specific local and foreign market environment.</p>	
Learning Outcomes	<p>At the end of this course, students should be able to:</p> <ul style="list-style-type: none"> • View and understand Retail Marketing; learn the terminology; know the institutions, and their role or market position. • Find and/or develop instruments for data collection. 	

	<ul style="list-style-type: none">Interpret Retail Marketing information.Apply knowledge and intuition to develop Retail Marketing strategies.
