<b>Policy</b>	<p><b>Attendance:</b> Students exceeding the 25% absence limit will not be allowed to participate at final exam.</p> <p><b>Activity</b> shall mean active participation i.e., asking and answering the question, contribute with insights and feedback, and demonstrate willingness and dedication to be part of an overall class discussion.</p> <p><b>The quizzes:</b> There will be two quizzes throughout the course. The quizzes might be made of multiple-choice questions, true/false questions, and short open questions. The questions will cover the subjects learned until each preceding class. Each quiz will be 5 points.</p> <p><b>Presentation/Project:</b> Also, in the last class students will make a presentation or a project based on the issues illustrated in Project section. Students are free to make the presentation alone or in group. In any case, they will analyze the situation according to gained knowledge. The group presentations will be evaluated as the collective work and will graded based on the quality of presentation as well as content of slides. If it is a project, it will be graded individually.</p> <p>The course project is designed in a way that it offers students to apply the learned concepts of the process of development of economic thought from the Antiquity till the second half of the 20th century by preparing a report. Small research groups of students that will prepare reports will consist of 2 - 5 students depending on class</p>																										

	<p>size. The students will choose a research topic based on their field of interest. The report must include the following sections: introduction, relevant literature/literature review, methodology, results, and discussion and conclusion. The students will submit the report using e-mail one week before the final presentation. Group presentations that are based on reports will be made in the last class. The duration of the presentation will be around 15 minutes.</p> <p><b>Cheating / Plagiarism:</b> Cheating or other plagiarism issues during mid-term and final examinations will lead to paper cancellation. As result, the student will automatically get zero (0), without any considerations.</p>
