ABOUT ME

I graduated from Khazar University with honors and completed my internship at Lankaran district central hospital. After that, I started my work to serve the patients who need us. My goal is to develop our human qualities along with education. I think that I can be useful to the students of my native university with my knowledge of medicine and natural sciences.

EXPERIENCE

- 2011-2016 Nigar Clinic Laboratory Manager
- Name of Aziz Aliyev. Azerbaijan State Doctor Training Institute
- 2018-Currently, I am working as a laboratory department manager in the Ankara clinic
