

NABIYEV ASIF KAZIM

Curriculum Vitae

PERSONAL INFORMATION

Full name	Asif Nabiyev Kazim
Date of birth	25.01.1958
Country	Azerbaijan, Baku
Address	Nizami district, G. Garayev avenue 66, apartment 40
Index	AZ 1002
Phone number	(+99477) 6421625
Home phone	
E-mail	asif.nabiyev@mail.ru
Citizenship	Azerbaijani

EDUCATION

Educational Institution	Field of specialization	Date
Institute of Educational Challenges (Ph.D)	Teaching Methods of Mathematics	2005-2009
Azerbaijan State Pedagogical University	Mathematics teacher	1974-1978
Gayliyan village secondary school, Dmanisi region, Republic of Georgia		1964-1974

EXPERIENCE

- January /2023. ASPU. Sabah groups
- February/2023. Foxford Moscow online school.
- September 2022/Shamakhi branch of ASPU, Khazar University
- January /2017-iyul /2022 Baku city, School number 328 *Director*
- February /2012- September /2016 Europe Azerbaijan school *Teacher*
- March /2011-February /2012 Institute of Educational Challenges *Leading researcher*
- September /2010-February /2011 Khazar University *Senior Teacher*
- September /2003-September /2010 Baku city, Secondary school number 67 *Teacher*
- September /2002-avqust /2003 Baku Oil-Energy College *Teacher*
- January / 2000 - avqust / 2001 Baku city, Secondary school number 67 *Teacher*
- May / 1998-September /1999 - Azerbaijan College of Finance and Economics *Laboratory technician*
- January / 1994 – may / 1996 Head crossing small enterprise *Economist*
- April / 1991- dekabr / 1993 Baku city, Secondary school number 108 *Teacher*

IT SKILLS

Programs	Level
Microsoft Office (Word, Excel, Power Point)	Excellent
Internet Explorer	Good
Tranings	
Qafqaz University “Inclusive education seminar”– 11.04.2015	
Ministry of Education Republic of Azerbaijan and Qafqaz University - “Training course of school directors”01.02.2015-31.05.2015	
TGC-Training and Development Center “Use of new subject curriculums ”-11.09.2015	
“Scientists of tomorrow” due to participation in the training academy of the competition-16.02.2018	
ADA University 5 th Internathional education conference “Mathematical practical lessons and research work” 01.07.2021-02.07,2021	

INTERESTS

Song (playing the guitar), to solve hard mathematical problems, reading (especially methodology), innovative.

LANGUAGE SKILLS

Languages	Speaking	Writing	Reading
Azerbaijan	Excellent	Excellent	Excellent
Turkish	Good	Good	Good
English	Average	Average	Average
Russian	Excellent	Excellent	Excellent

3. Fərdi bacarıqlar.

- August / 1978 – December /1990 Republic of Georgia, Region of Dmanisi, Secondary school of Dunus village *Teacher*
- In 2009, I received the scientific title of Doctor of Philosophy majoring in “Teaching methodology of mathematics”. I have more than 30 scientific-methodical articles. Articles are published in "Curriculum" journal in Azerbaijan, in "Matematika" journal (3 pieces) in Russia.
- Articles in Curriculum: a) 2014 №1- the experience of organizing work with groups in fifth grade, b) 2014 №1- Developing logical thought In Literature and Azerbaijan language lessons. c)2014 №3-Integration with mathematics and other subjects in Training, d) 2014-№4 Practical work in mathematical lessons of V-VI grades.
- Articles from «Математика» journal in Russia:
 - a) 2014 март-Форма работы-в группах,
 - б) 2014 апрель-Однажды во дворе,
 - с) 2015 март-Образование в Азербайджане.
- An Article in “Современные гуманитарное исследования» journal in Russia:
 - «Ввод понятия функции в школьной математике»
- The books in English by Lap Lambert publishing house, in Germany:
 - a) The Bologna System: A Significant European Project
Подробнее на livelib.ru:
<https://www.livelib.ru/book/1001650471-the-bologna-system-a-significant-european-project-asif-nabiyev>
 - b) Selected tasks on mathematics
Подробнее на livelib.ru:
<https://www.livelib.ru/book/1001837116-selected-tasks-on-mathematics-asif-nabiyev>

- c) The Mathematical Proof and Logical Thinking in Comprehensive Schools
 Подробнее на livelib.ru:
<https://www.livelib.ru/book/1001653154-the-mathematical-proof-and-logical-thinking-in-comprehensive-schools-asif-nabiyev>
- d) How to introduce Mathematics in secondary schools?
 Подробнее на livelib.ru:
<https://www.livelib.ru/book/1001649773-how-to-introduce-mathematics-in-secondary-schools-asif-nabiyev>
- e) In the same publishing house in Russian: «Избранные задачи по математике»
- f) <http://www.advertology.ru/index.php?name=Book&bid=31784221>
- g) My books in Azerbaijan:
- h) We study mathematics,
- i) Trigonometry,
- j) Studies with increased difficulty mathematics.
- k) I have many certificates and awards: called “Training course of Schools directors”, “Inclusive education” “ECDL foundation” by Qafqaz University and ADA University, certificates and awards by Infourok, Meqatalant sites.
- l) I have a teacher website in Russian language. I created group called “We study mathematics” in Facebook. Purpose is to increase the mathematical knowledge of students and to exchange the experiences between teachers.

According to the principle of Bologna human has to learn reading throughout his life.
