

Aytan Jafarova

22.09.1997

English teacher

About me

I am a dedicated and adaptable professional with strong teamwork skills. I approach every task with diligence and integrity, consistently delivering high-quality results. Passionate about both learning and teaching, I continuously strive for self-development. Over the course of my career, I have taught Translation and Non-specialized subjects, authored several theses, research papers, and scientific articles, and actively participated in various trainings and international conferences.
