and highly encouraged to ask questions, make comments, or disagree with what your fellow students or lecturer is saying. Following these rules, you can get 10 points (maximal).

Class discussions You are expected to describe suggested linguistic topic individually at the seminars during the course. For this you can get 10 points (maximal)

Research paper presentation During the course, you will write a research paper on a topic agreed with the lecturer and present it. For the Paper presentation you can get 10 points (maximal)

All above mentioned make 30 points maximal. The rest 70 points you can get at **the midterm and final exams**. (35 points at each exam)

All above mentioned makes 30 points maximal. The rest 70 points you can get at midterm and final exams. (35 points at each respectively)

ENJOY THE LINGUISTIC TRENDS AND METHODS COURSE, DEAR STUDENT! SUCCESS ATTEND YOU!

Full-time students are expected to attend all elements of their courses unless they are sick or have permission of their School Dean. In general, to be eligible for taking exams students should not miss more than 25% (in this course 22 hours, i.e. 11 classes) of the class hours. In addition, the students are expected to be in the classroom ready to work at the appointed hour. It is the students' responsibility to be on time, ready and attentive. Continuing and unexcused absence or lack of participation may lead to withdrawal from the course. Use of cell phones and other electronic devices and working on other projects during classes are prohibited. All forms of cheating and plagiarism are strictly banned. The student whose behavior is disruptive either to the instructor or other students will be asked to leave.

Tentative Schedule					
Week	Date/Day (tentative)	Topics	Textbook/Assignments/R eading		
1		Lecture 1: Introduction to the Course Discussion	The text of the lecture and relevant textbooks		
2		Lecture 2: Representation Discussion	The text of the lecture and relevant textbooks		
3		Lecture 3: Negation Discussion	The text of the lecture and relevant textbooks		
4		Lecture 4: Locatives Discussion	The text of the lecture and relevant textbooks		
5		Lecture 5: Comparatives Discussion	The text of the lecture and relevant textbooks		
6		Lecture 6: Active and Passive Sentences Discussion	The text of the lecture and relevant textbooks
