Prerequisites Language		English			
Compulsory/Elective		Liigiisii			
Required textbooks and		Scott Shay, The History of English, Wardja Press, 2008			
course materials		Scott Shay, The History of English, Waltija Fless, 2006			
Course description		The course introduces students to the history of Great Britain and offers an extensive analysis of			
		the evolution of the English language and its place among other Germanic languages. The			
		course will help students enhance their general and linguistic background and enable them to			
		better understand the main regularities of language change and development. This course can be			
		regarded as a rewarding addition to any theoretical language discipline, and be used in all			
		teaching situations where the aim is to improve overall language proficiency that students need			
		to satisfy growing academic re	equirements.		
Course objectives		1. to discuss the early history and emergence of English (OE)			
		2. to trace the language change in the Middle Ages (ME)			
			formation of the national literary l		
		4. to make the course an integral part of the English language curriculum for the Humanities			
Lear	rning outcomes	Students' awareness of the role of the historical processes in the emergence of the English			
		language;			
			nguage change and the periods of l		
		general improvement of speak	king, listening, reading, and writing	g skills engaged in the learning	
		process			
Teaching methods		Lecture +		+
