Policy/Assessment	<p>Assessment</p> <p>Participation&Activity: “Active involvement in learning increases what is remembered, how well it is assimilated, and how the learning is used in new situations.” (Maznevski) We grade participation and activity because we want students to be active and therefore learn more.</p> <p>Paragraphs: Students learn to write different types of paragraphs. Then the teacher assesses students’ paragraph writing skill by giving various topics.</p> <p>Presentation: Students’ oral presentations are evaluated based on their explanation of selected topics dealing with various aspects of composition</p> <p>Quiz: Quizzes helps to assess a student's achievement of the course objectives. They also prepare the students for the upcoming midterm and final exams.</p> <p>*Grading: All assignments are evaluated for: content and audience, text structure, sentence structure, punctuation, vocabulary, spelling.</p> <p>COURSE POLICIES</p> <p>* Attendance (Lateness): It is important absences can be detrimental to one’s grade due to the number of class activities (presentations, and class participation) and complexity of the subject. In case the students is late for more than 10 minutes after thebeginnings of lessons, he/she will be marked as absent.</p> <p>* Class participation: For every three unexcused absences, one point will be deducted from the grade point average. More than 20 % of absences during the course is excessive. Free participation is discouraged.</p> <p>* Missed exams or assignments: A notification should be given in advance if the student is unable to attend the scheduled presentation or test. Full class participation and completion of assigned homework are necessary. If you miss a test because due to a sudden illness or personal/family emergency, contact your instructor via email as soon as reasonably possible in order to make alternative arrangements. If you are not able to connect with your instructor, email the department and advise the Administrator or Chair or Director of your inability to attend the exam and the reason for being absent. Make a note of who you spoke to and when and keep copies of your emails. Remember that if you request a make-up exam or test because of medical or compassionate groundsthat you will usually be required to present relevant documentation.</p> <p>* Academic Dishonesty: Any plagiarism while studying will be severely penalized (bya non-pass for the course). Reference should be given to the sources used in the work. However, any paper consisting of references and citations only, without further analysisby the student, will not be acceptable either. A one point per day penalty (weekends count as 2 days) will be applied to LATE essays or any other assignments.</p> <p>* In class regulations: With exception of plain drinking water, no food or beverages (including chewing gums) are allowed during the classes. Students are not allowed to use their mobile phones for making phone calls, texting and surfing internet (unless the instructor has given specific assignment).</p> <p>* Teacher evaluation: In the end of the course (possibly even twice during the whole semester) the students will be requested to evaluate their teacher's work and encouragedto take it seriously as their evaluation can help with further developments in the given subject.</p>
