	participation. You are expected and highly encouraged to ask questions, make comments, or discorres with what your follow students or instructor is saving. Following these rules, you				
	disagree with what your fellow students or instructor is saying. Following these rules, you can get maximal <b>10 points</b> . (5 points for participation, and 5 points for activity).				
	All above mentioned make 35 points maximal. The rest 65 points you can get at <b>midterm</b>				
	o points you can get at <b>infuterin</b>				
(30 points) and final exams (35 points).					

COURSE POLICIES	
•	<ul> <li>Attendance (Lateness): Attendance is important. Absences can be detrimental to one's grade due to the number of class activities (class participation) and complexity of the subject. In case the students is late for more than 10 minutes after the beginnings of lessons, he/she will be marked as absent.</li> <li>Class participation: For every three unexcused absences, one (1) point will be deducted from the grade point average. More than 20% of absences during the course is excessive. Free participation is discouraged.</li> </ul>
•	<b>Missed exams or assignments:</b> A notification should be given in advance if the student is unable to attend the scheduled presentation or test. Full class participation and completion of assigned homework are necessary.
•	Academic Dishonesty: Any plagiarism while studying will be severely penalized (by a non-pass for the course). Cheating during the tests will be penalized likewise.
•	<b>In class regulations:</b> With exception of plain drinking water, no food or beverages (including chewing gums) are allowed during the classes. Students are not allowed to use their mobile phones for making phone calls, texting and surfing internet (unless the instructor has given specific assignment).
•	<b>Teacher evaluation</b> : In the end of the course (possibly even twice during the whole semester) the students will be requested to evaluate their teacher's work and encouraged to take it seriously as their evaluation can help with further developments in the given subject.
