Policy/Assessment	Assessment		
	<p>Speaking exam: Students are given topics to speak non-stop for 10 minutes. They are requested to make a dialogue among themselves or describe a photo using it in any situation. Their speaking is evaluated accordingly on their fluency, content, creativity, vocabulary and structure.</p> <p>Writing portfolio : Students are required to build portfolios that involve written tasks covered during the course. Portfolio evaluates students' ability to apply vocabulary gained in written form , to assess grammatical accuracy, demonstrate critical thinking and use imagination.</p> <p>Active Reading Strategies : Students are required to read intensively and extensively both updated authentic informational texts(on science, history, education , environment etc.) and narratives(fiction, drama) that focus on building attitude , language and phonetic awareness, comprehension strategies , vocabulary development ,writing skills ,accuracy ,creativity and imagination.</p> <p>Debate: Debate engages students in a variety of linguistic ways .In addition to providing listening speaking and writing practice, debate is also highly effective for developing student's critical and analytical skills.</p>		
	Course policies		
	<p>Attendance (Lateness): Attendance is important. Absences can be detrimental to one's grade due to the number of class activities (presentations and class participation) and complexity of the subject. For every three unexcused absences one (1) point will be deducted from the grade point average. More than 10 unexcused absences is excessive. Free participation is discouraged.</p> <p>Missed exams or assignments: Advance notification should be given if the student is unable to attend a scheduled presentation or test. Full class participation and completion of assigned homework are necessary.</p> <p>Academic Dishonesty: Any plagiarism while studying will be severely penalized, including the possibility of receiving a non-pass for the course. Reference should be given to the sources used in one's work. However, any research paper consisting of references and citations only, without further</p>		

		analysis by the student, will not be acceptable either. Cheating during the tests will be penalized including the possibility of a zero mark on the test. In class regulations: with exception of plain drinking water, no food or beverages (including chewing gums) are allowed during the classes. Students are not allowed to use their mobile phones for making phone calls, texting or surfing internet (unless the instructor has given specific assignment)
