Policy/Assessment	Assessment The students are expected to know that the assessment system of the program consists of both <i>formative</i> and <i>summative</i> components. Therefore, the overall score at the end of the semester would not only be based on the student’s performance in exams (mid-term and final) but also weekly quizzes will affect the students’ evaluation marks. The quality of the classroom participation and following up on the weekly assignments (including summaries, presentations, group work, etc.) will also be considered 25 percent of the participant’s overall score. If there are any questions related to the		

	<p>course structure, do not hesitate to contact the course instructor as soon as possible.</p> <p>Mandatory Attendance: To pass the exam, students must follow the academic requirements. If a student misses more than 25% of classes, he/she will be considered as failed the exam.</p> <p>If the student is not able to attend the presentation, quiz, or exam, he/she must inform the instructor in advance.</p> <p>Activity: Completing assigned homework and contributing to discussions are highly expected to evaluate each student's studying progress.</p> <p>Speaking exam: Grammar range, language accuracy, vocabulary range, task fulfillment, fluency, and pronunciation will be considered during the exam.</p> <p>Quiz: The quiz session enhances various language skills based on grammar, reading, writing, and vocabulary parts to review the weekly topics, as well as discussions.</p>
