Policy/Assessment	Attendance and Activity This course will not be effective unless you participate on a regular basis. Besides, you will be expected to contribute to discussions in each class, demonstrating an enquiring approach to the topic under discussion You can gain 10 points if you follow these guidelines (maximal). Mandatory Attendance: 1. You must take the exam in order to pass this course. 2. If you miss more than 25% of classes , you will not be able to take the exam – therefore, you will fail the course. Assessment Speaking exam: Grammar range, language accuracy, vocabulary range, task fulfillment, fluency, and pronunciation will be considered during the exam. The students are expected to know that the assessment system of the program consists of both <i>formative</i> and <i>summative</i> components. Therefore, the overall score at the end of the semester would not only be based on the student’s performance in exams (mid-term and final). The quality of the classroom participation and following up on the weekly assignments (including summaries, presentations, group work, etc.) will also be considered 25 percent of the participants’ overall score. If there are any questions related to the course structure, do not hesitate to contact the course instructor as soon as possible Quiz: During the semester 2 quizzes are planned to be conducted. One of them will be held before the midterm and other one is planned before the final exams. Both of them will cover the materials taught until the beginning of quizzes and time will be announced during the sessions. It is considered as a preparation to the final exams which will include essay, vocabulary and reading exercises. The percentage value of each quiz is set to 5%, which makes up 10% in total.
