Assessment and Policy	Total100Assessment:Active Reading Strategies:Students are required to read intensively and extensively both updated authentic informational texts (on science, history, education, environment etc.) and narratives (fiction, drama) that focus on building attitude, language and phonetic awareness, comprehension strategies, vocabulary development, writing skills, accuracy, creativity and imagination. If successfully, students will be able to get maximal 10 points.Writing portfolio:Students are required to build portfolios that involve written tasks covered during the course.Portfolio evaluates students' ability to apply vocabulary gained in written form, to assess grammatical accuracy, demonstrate critical thinking and use imagination. Students are supposed to write different kinds of paragraphs throughout the semester. The teacher will evaluate all 			

		 Class participation and activity. The students are expected to contribute to discussions in each class, to participate in debates(debate engages students in a variety of linguistic ways. It is also highly effective for developing students critical and analytical skills) actively and to do all home assignments given by the instructor and exercises from their student's book and workbook on time. If successfully, students will be able to get maximal 10 points. Policy: Attendance (Lateness): Attendance is important. Absences can be detrimental to one's grade due to the number of class activities (presentations and class participation) and complexity of the subject. For every three unexcused absences one (1) point will be deducted from the grade point average. More than 10 unexcused absences are excessive.Free participation is discouraged.
