Course outline	<p>The course is intended for pre-advanced students majoring in English as a second or foreign language. It is aimed at reinforcement of writing and speaking skills to encourage students in their effort to develop a sense of security in the mastery of English structures. It surveys all the main areas of English grammar and pays considerable attention to translation from English into learners' first or native language and back. The main feature of the course is its explanatory style. Each topic is discussed and then a series of sentence example in learners' first or native language are presented alongside with their English translation. The course will prove to be useful for translation and teaching English majors as a pre-requisite for translation courses dealing with a wide range of content area.</p>
