

ELMAR ALIYEV

11.01.1996

ABOUT ME

I, Elmar Aliyev, received my bachelor's and master's degree in Italian language and linguistics, participated in ERASMUS PLUS, one of Europe's prestigious student exchange programs, improved myself as much as I could in the field of language and continue to improve. Considering that I have been teaching Italian for more than 6 years now, I have worked with quite a wide audience and circle of people and helped them achieve their goals, at least partially. Today, I continue my activities individually.
