Assessment	<p>Course assessment is conducted through active participation, case study discussions, written midterm and final examinations.</p> <p><u>Active Participation & Case-Study Discussions:</u> Students following this course are not simply expected to listen and memorize the lectures but to study the reading materials well; engage in discussions; and be able to demonstrate and debate his/her viewpoints.</p>	

Policy	<p><u>Mid-term & Final Exams:</u> The mid-term and final exams will consist of open-ended questions that assess students' understanding of the topics covered throughout the semester, including the articles assigned for discussions.</p>
	<p>You are expected to:</p> <ul style="list-style-type: none"> - attend classes on a regular basis as the classes are conducted in a combined lecture/seminar format where students should <u>play an active part</u>. - read the assigned and suggested readings before you come to class - engage actively in classroom discussions - offer thoughtful and informed classroom presentations and written work - submit all your assignments on time - follow assignments closely and carefully. <p>Class attendance: Students are required to comply with the attendance policy of Khazar University. Full-time students are expected to attend all classes unless they are sick or have the permission of the instructor (<i>approved absence</i>). A student must submit an absence request in anticipation of an absence from the course. In case he/she fails to do so, his absence will be considered unapproved. Specifically, to be eligible for taking exams, students must not miss more than <u>25%</u> of class hours (<i>unapproved absences</i>). Otherwise, the student can take the exam only with the approval of the School Dean. Continuing unapproved absences or lack of participation may lead to withdrawal from the course.</p> <p>Academic misconduct Academic honesty plays an essential part in maintaining the integrity of Khazar University. Students are expected to recognize and uphold high standards of intellectual and academic integrity. The following acts are examples of academic dishonesty, therefore are strictly forbidden and will, if proven, be penalized:</p> <ul style="list-style-type: none"> - plagiarism, - cheating, - unauthorized collaboration, - falsification, - multiple submissions. <p><i>On plagiarism:</i> Plagiarism is unethical and an <u>offence</u> under the University regulations. Please familiarize yourself with the regulations relating to plagiarism and cheating in examinations. Plagiarism is copying other people's work without <u>proper</u> attribution. The students committing plagiarism and the students providing materials for plagiarizing will automatically receive a zero (0) for the assignment. Students must always indicate that they used someone else's words and ideas if they have done so, by using quotation marks and mentioning the source in the text or a footnote. A bibliography must also follow after the</p>

end of your essays.

!!!NOTE!!! The use of AI tools for assignments and examinations is strictly prohibited.

Rules of Professional Conduct

The students shall behave in the way to create favorable academic and professional environment during the class hours. Unauthorized discussions and unethical behavior are strictly prohibited. Classroom behavior that seriously interferes with either (a) the instructor's ability to conduct the class or (b) the ability of other students to benefit from the course program will not be tolerated. When a student's behavior in a class is so seriously disruptive as to compel immediate action, the instructor has the authority to remove a student from the class on an interim basis, pending an informal hearing on the behavior.
