ABOUT ME

Psychologist with a strong academic foundation and practical experience in psychotherapy and research assistance. Experienced in conducting psychotherapy sessions with adults and supporting empirical research processes. Demonstrates advanced active listening, analytical thinking, and evidence-based problem-solving skills. Graduated with distinction and highly motivated to further specialize in the scientific study of human behavior and cognition. Particularly interested in cross-cultural psychology, cognitive processes, and interdisciplinary perspectives integrating psychology with philosophy and the arts.

WORK EXPERIENCE

Department Assistant of Psychology / Psychologist

Khazar University, Khazar Psychology Counselling Center

Baku, Azerbaijan

01 October 2023 – Present

Main Responsibilities:

- Conduct individual psychological consultations for undergraduate and graduate students using evidence-based therapeutic approaches, including Cognitive Behavioral Therapy (CBT), Rational Emotive Behavior Therapy (REBT), Schema Therapy, EMDR, and Group Therapy.
- Managed and coordinated academic responsibilities for undergraduate (120+ students) and graduate (55+ students) courses, ensuring smooth operation of departmental activities.
- Contributed to the organization and supervision of over 300 examination sessions, ensuring academic integrity and compliance with institutional regulations.
- Prepared examination materials and supported assessment and grading procedures.
- Coordinated and monitored departmental courses to enhance academic quality and student learning outcomes.

- Initiated and supported quality improvement strategies aimed at strengthening the educational experience of psychology students.
- Participated in academic research activities and departmental documentation processes.
- Performed statistical data analysis using SPSS.
- Organizer of the Azerbaijan International Psychology Conference for three consecutive years, contributing to academic coordination, event management, and professional networking.
- Facilitated effective communication and collaboration between faculty members and students.
